worship

**You can be a part of our 2012 youth missions' trip!**

**We need your support to make our trip possible! Please pray God would smile on our trip. We need God in all the details as we plan and fundraise for this year's trip. We will be helping and rebuilding in some of the poorest areas that were devastated by hurricane Katrina. Some of these people are still living in terrible conditions. Pray God will use us to reach them for Christ.**
